Professional Summary

Hello! My name is Jessica Gebauer and I am from Kansas City, Missouri. I graduated from Winnetonka High School and then headed off to community college. I finished my Associates in Arts at Metropolitan Community College. At this time, I had no idea what I wanted to do with my life, but once I started at University of Missouri, they helped me figure out what I was passionate about. I am currently studying education with an emphasis in psychology. I plan on finishing my bachelor's degree in fall of 2021. I hope to become an elementary psychologist and help children navigate feelings that they might not understand. In my free time, I love doing everything Disney! I grew up watching Disney Princesses and never grew out of it! I love what Disney represents and love sharing my passion and knowledge to everyone else!
